

## SCHNELL METAL CABLE MANAGEMENT

Schnell Metal Cable Management provides durable and compact horizontal cable organization for 19" racks. Available in 1U (with or without cover), 2U, and tall vertical 42U options, it is constructed from powder-coated steel (1.2 mm), available in black, grey, or white. Ideal for structured and tidy rack installations.

MATERIAL CONSTRUCTION		PHYSICAL CHARACTERISTICS	
Material	: SPCC cold-rolled steel, 1.2 mm thick	Unit Heights	: 1U, 2U, and full-height (42U) configurations
Surface Finish	: Degreased, phosphate, powder-coated	Cable Routing	: Ring/loop-style design within metal frame
Form Factors	: 1U (with/without cover), 2U (with/without cover), 42U vertical	Load Handling	: Sturdy metal structure supports routing and strain relief
Color Options	: Black (RAL 9004), Grey (RAL 7035), White (RAL 9010)	Rack Compatibility	: Fits standard 19" rack environments
Orientation	: Horizontal (1U, 2U) and vertical (42U)	Ease of Access	: Removable covers for efficient maintenance
Cover Options	: Optional protective cover for dust control		
KEY FEATURES		KEY APPLICATIONS	
<ul style="list-style-type: none"> <li>Available in various heights—1U, 2U, and 42U vertical</li> <li>Optional protective cover for dust and airflow control</li> <li>Durable, 1.2 mm steel construction</li> <li>Available in standard RAL color options</li> <li>Enables neat, organized, accessible cable routing</li> </ul>		<ul style="list-style-type: none"> <li>Horizontal cable guidance in 19" rack systems</li> <li>Vertical cable management along rack sides</li> <li>Improving airflow and reducing cable congestion</li> <li>Maintenance-friendly cable organization in data centers, telecom, and AV setups</li> </ul>
